Operations Manual & Systems Guide

Phase 3 — Operations & Systems
Prepared by HAMZURY Business Services

1. Daily Operations Framework

OPENING ROUTINE (8:30 AM — BEFORE FIRST CLIENT)

- Arrive 30 minutes before first appointment
- Switch on air conditioning, diffusers, ambient music
- Check treatment rooms — fresh linens, products stocked, tools sterilised
- Review day's appointment schedule (WhatsApp Business / booking system)
- Prepare welcome beverages (herbal tea, infused water)
- Quick inspection: reception clean, lighting correct, fragrance right
- Post daily Instagram Story (today's availability or ambiance shot)

DURING SERVICE HOURS (9:00 AM — 7:00 PM)

- Greet every client by name at the door
- Offer welcome beverage and brief consultation
- Ensure treatment room is prepared before client enters
- No phone use by staff in client-facing areas
- Play approved playlist only — calm, premium, no lyrics
- After each treatment: reset room within 15 minutes
- Collect feedback: "How was your experience today?"
- Offer rebooking before client leaves

CLOSING ROUTINE (7:00 PM)

- Final room check — all linens in laundry, tools cleaned
- Restock products for next day
- Review tomorrow's appointments and any prep needed
- Cash/payment reconciliation (if applicable)
- Switch off equipment, AC, secure premises
- Post evening Story (gratitude post or next-day tease)

2. Service Delivery Standards (SOPs)

SOP 1: Luxury Bathing Ritual

DURATION: 45-60 MINUTES

- Step 1: Welcome client, offer herbal tea, confirm preferences
- Step 2: Prepare bath — run warm water, add botanical blend (lavender/chamomile/eucalyptus based on preference)
- Step 3: Add mineral salts and essential oils
- Step 4: Guide client to prepared bath, ensure privacy
- Step 5: Provide timer, reading material, or calming music options
- Step 6: After soak — warm towel wrap, light moisturiser application
- Step 7: Offer refreshment post-treatment
- Step 8: Escort to reception, discuss experience, suggest follow-up treatment

SOP 2: Medical-Grade Pedicure

DURATION: 60-90 MINUTES

- Step 1: Consultation — assess foot condition, note any concerns
- Step 2: Soak feet in warm medicated solution (10 minutes)
- Step 3: Callus removal using clinical-grade tools (sterilised)
- Step 4: Nail shaping and cuticle care
- Step 5: Exfoliation scrub — dead skin removal
- Step 6: Foot mask application (15-minute treatment)
- Step 7: Hydrating massage — foot and lower leg
- Step 8: Polish application (if requested) or natural buff
- Step 9: Final inspection, aftercare advice

CRITICAL: All tools must be sterilised between clients using autoclave or chemical disinfection. Single-use items (files, buffers) must never be reused.

SOP 3: Signature Spa Treatment

DURATION: 90-120 MINUTES

- Step 1: Full consultation — body tension points, skin sensitivity, pressure preference
- Step 2: Client changes into spa robe, guided to treatment room
- Step 3: Begin with hot towel placement on key tension areas
- Step 4: Full-body massage — start with back, move to legs, arms, neck
- Step 5: Hot stone therapy on key points (optional add-on)
- Step 6: Aromatherapy oil application — selected based on consultation
- Step 7: Face and scalp massage (10 minutes)
- Step 8: Rest period — 10 minutes with warm compress
- Step 9: Gentle wake-up, warm beverage, aftercare advice

3. Client Management System

RECOMMENDED CRM: WHATSAPP BUSINESS + GOOGLE SHEETS (PHASE 1)

Start simple. You don't need expensive software yet. WhatsApp Business handles bookings and communication. Google Sheets tracks client history.

CLIENT RECORD SHEET (GOOGLE SHEETS TEMPLATE)

Client Name	Full name
Phone	WhatsApp number
First Visit Date	When they first came
Services Used	List of treatments received
Preferences	Pressure, allergies, favourite scent, temperature
Last Visit	Most recent appointment date
Next Appointment	Upcoming booking
Notes	Skin conditions, special requests, birthday
Total Spent	Lifetime revenue from this client
Referral Source	How they found you (Instagram, referral, walk-in)

UPGRADE PATH

- Phase 1 (Now): WhatsApp Business + Google Sheets — FREE
- Phase 2 (3-6 months): Fresha or Booksy — free booking system for spas
- Phase 3 (6-12 months): Custom booking page on tilzspa.com with automated reminders

4. Pricing Structure

Premium pricing reflects the quality of service and the exclusivity of the experience. Never compete on price — compete on experience.

Luxury Bathing Ritual	45-60 min	₹15,000 — ₹25,000	Signature entry service
Medical-Grade Pedicure	60-90 min	₹20,000 — ₹35,000	Premium flagship
Signature Spa Treatment	90-120 min	₹35,000 — ₹60,000	High-end experience
Facial Rejuvenation	60 min	₹25,000 — ₹40,000	Coming soon
Couples Package	120 min	₹80,000 — ₹120,000	Premium couples
Bridal Package	Full day	₹150,000 — ₹300,000	Ultra-premium

Note: These are recommended ranges based on Wuse 2 premium positioning. Tilda should adjust based on her actual costs, competition, and target margins. Start at mid-range and adjust based on demand.

5. Booking System Flow

Until a formal booking system is in place, use this WhatsApp-based flow:

- 1. Client sends message to WhatsApp Business (0817 237 1818)
- 2. Auto-reply greets them with services menu
- 3. Client selects service → Staff confirms availability

- 4. Staff sends date/time options → Client confirms
- 5. Staff sends confirmation message with: date, time, service, address, prep instructions
- 6. Day before: Send reminder message
- 7. After visit: Send thank-you + rebooking prompt

REORDER TRIGGER

When any product drops below 20% stock, reorder immediately. Never run out of core products — it breaks the premium experience.

7. Hygiene & Safety Standards

Non-negotiable standards for a premium spa:

- All reusable tools sterilised between every client (autoclave or chemical)
 - Single-use items (files, buffers, gloves) — NEVER reused
 - Fresh linens for every client — no exceptions
 - Treatment rooms cleaned and reset within 15 minutes
 - Hand sanitiser available at reception and treatment rooms
 - Staff must wash hands before and after every treatment
 - Products stored in clean, temperature-controlled area
 - Spa robes washed after every single use
 - Floor mopped twice daily minimum
 - Bathroom checked and cleaned every 2 hours during operating hours
-
